

# MULTI / MASS CASUALTY INCIDENT (MCI)

## LERN < PROCEDURE >

**Abbreviations**

- LCC** --- LERN Communication Center
- MOI** --- Mechanism of Injury
- ESF-8** --- Emergency Support Function
- DRC** --- Designated Regional Coordinator
- IC** --- Incident Commander
- \*** --- Separate Protocol / Procedure

**MCI Levels**

- Level 1** --- 5 – 10 Patients
- Level 2** --- 10 – 20 Patients
- Level 3** --- 20 – 100 Patients
- Level 4** --- 100 – 1000 Patients
- Level 5** --- > 1000 Patients

### Guiding Principles

- > EMS command will attempt to relay information to LERN regarding the number and triage status of family members.
- > Medics will contact LERN following the call to provide the necessary patient information to the LCC staff.
