

Tri-Regional Town Hall Meeting

We look forward to visiting your region to provide updates on our trauma, stroke, and STEMI systems and all disasters response efforts. Each medical director will offer a question and answer/discussion period in order to collect your valued feedback.

Regions 1, 3, and 9

October 14, 2015

3:00 p.m. – 5:00 p.m.

University Medical Center – New Orleans

Room: The Conference Center
2000 Canal Street

New Orleans, LA 70112

RSVP: Yvette.Legendre@la.gov

SPEAKER PANEL

Robert J. Coscia, MD, FACS

LERN Trauma Medical Director

Dr. Coscia joined LERN as Medical Director in November 2010. He has more than 40 years experience as a trauma surgeon and in managing and developing trauma programs. For the last 5 years, he has worked directly with hospitals and trauma centers to develop the trauma system in Louisiana.

Murtuza Ali, MD

LERN STEMI Medical Director

Dr. Ali is an Associate Professor of Clinical Medicine and the Program Director for the Interventional Cardiology Fellowship at LSU Health New Orleans. He chaired the first Statewide STEMI Design the System workgroup in September of 2011 and has served as the LERN STEMI Medical Director since 2013.

Sheryl Martin-Schild, MD, PhD

LERN Stroke Medical Director

Dr. Martin-Schild is an Associate Professor of Neurology and the Stroke Program Director at Tulane University Hospital and Clinic. She is a vascular neurologist with a PhD in neuroscience and has served as the LERN Stroke Medical Director since February of 2014.

Chris Hector, NRP

LERN Administrative Director

Chris has been a paramedic for 19 years. He joined LERN in 2008 and served as supervisor of the LCC for 3 years before his promotion to Administrative Director. He leads the All Disaster Response mission at LERN and works directly with our emergency preparedness stakeholders across the state in this initiative.
